

**The Hamilton Company Charitable Foundation (THCCF)
Parameters for Funding**

Funds will be made available to be distributed to 501© (3) organizations for charitable purposes. The organizations must be in operation for at least five contiguous years to be eligible for a grant from THCCF.

These grants may provide educational, recreational, and other services to urban and suburban youth. Funds will also be available to charitable organizations engaged in medical, research or delivery of medical services. Funds may be directed to school programs and through scholarships to students. Funds are also available for arts and culture by way of museums, other learning opportunities. Funds may be directed as assistance to people in need such as supplying care for families, food.

Funding is focused, although not limited to, charities and programs in areas The Hamilton Company does business.

Donations will not be made to entities operated by or reporting to religious organizations. Donations will not be made to support efforts to retain or restrict abortion rights, or to promote or prohibit birth control. Projects that are located or support activities outside the United States will not be funded. Funds will not be provided to municipalities or to fund litigation.
